Virginia has entered Phase 2 reopening of dine-in restaurants. Governor Northam has mandated social distancing practices be implemented for the safety and public health of our citizens.

Here are the changes you will see when you visit 350 Grace.

We are only permitted to seat at 50% capacity in our dining room and we have added fresco dining on our terrace. This means that we will only be able to offer a limited number of tables inside and outside. Tables will be six feet apart from each other and party size will be limited to four or less people. Guest joining us for lunch or dinner will be asked to enter through our front door and leave through the side entrance at the terrace. During inclement weather, our terrace will not be used. We will make every attempt to seat your party in our dining room while adhering to the occupancy and social distancing requirements.

Reservations can be called in or booked online. Walk-in diners will only be accepted if we can accommodate while following the required protocols. To ensure our guests can dine with us, we encourage calling to confirm a reservation. Reservations will be limited to two-hour increments.

Governor Northam's Phase 2 mandates require wearing a mask to enter our restaurant. If you or anyone in your party is showing signs or symptoms of the flu, cold or Coronavirus, please reschedule your reservation and return when feeling better. 350 Grace employees will have their temperature checked upon arriving to work and will wear Personal Protection Equipment (PPE) the entire service period.

Chef Moats and his culinary team will create a limited menu with some of your favorite items and will introduce some new inspiring dishes. We are excited to reopen and look forward to seeing you soon.
